Diaranson, 20 di Juni 2012 lo ta exactamente 50 aña cu Todopoderoso a tuma Sr. Juan Enrique Irausquin den su Reino ! Na e momentonan E tabata ocupa e posicion di Ministro di Finanzas y Fomento di Antias Neerlandes y Lider di partido PPA. Tambe durante su carera politico el a ocupa e posicion di miembro di Eilandsraad y miembro di Staten di Antias Neerlandes.

E comunidad Arubano a keda conmovi e tempo ey pa e pronto ida di un di e dos estadistanan politico den nos existencia. Juan Enrique Irausquin, e homber y politico cu vision y caracter integro, a muri na edad di 59 aña y prome di a fayece,a sabi di implementa loke nunca otronan di su epoca por a logra. Careteranan, suministro di awa na tur cas , introduccion di beca pa tur studiantenan,ya cu partido AVP,den e epoca nan ey solamente, ta muchanan di Playa so tabata haya beca y mucha nan di campo no tabata bini na remarke. E gran estadistica aki, Juan Enrique Irausquin a trece cambio,cu awe no tin distincion algun mas.

E vision di mas grandi y e proyecto cu te awe nos ta mira su fruto, Turismo, na unda su persona a pone e prome hotel riba Palm Beach, Aruba Caribbean Hotel, na unda e era di nos turismo a inicia. Esaki, tambe partido AVP, lidera e tempo ey pa Henny Eman,(Abuelo), a bisa e lider di PPA, Juan Enrique Irausquin, pa bay yena e cambernan cu cabrito. Awe su mesun partido ta pronkia cu su vision.

Un Estadista den tur e sentido di palabra, Juan Enrique Irausquin, a siña nos politiconan te awe catedra riba nivel politico. Manera ta conoci, te awe ningun partido politico a sabi di pasa su record di e unico partido politico te awe cu a marca historia di ta e unico cu mas asiento den nos parlamento, 15 total y cu a goberna e isla aki pa añanan largo su so.

Den e edicion aki nos lo bay profundisa den e logronan mas importante y ilustra cu fotonan di e gran hazaña politico aki di e gran estadista aki, Juan Enrique Irausquin.

Inauguracion di WEB

P.P.A. y Juan E. Irausquin pionero di nos Turismo

Na inicio di su gobernacion, re-cien Sali for di partido AVP,Juan Enrique Irausquin, como lider di P.P.A. a inicia na transforma nos isla den loke e ta awe turisticamente. Hunto cu diputado di turismo e tempo ey, Oscar Henriquez y otronan,Juan Enrique Irausquin a encabesa un delegacion pa Caracas,Venezuela, na unda e la bay busca fiansa pa traha e prome hotel di Aruba cu tabata, Aruba Caribbean Hotel. Asina ey a inicia un epoca cu te awe ta mira su frutonan den nos turismo,un homber di gran vision cu tabata Juan Enrique Irausquin,cu ta sigui tras di su visionnan pa haci loke awe nos pais ta,economicamente y financieramente.

Den un combersacion exclusivo awe parti mainta nos redaccion a bin haya informenan sumamente valioso for di e epoca di nacemento di nos turismo door di ex-gezaghebber y diputado na dos ocasion den e gobernacion di P.P.A. e tempo ey,Oscar Henriquez,un leyenda politico den e epoca, di Juan Enrique Irausquin,.

“Ta curioso con henter e asunto di turismo a inicia den decada 50,na unda mi persona tabata e diputado di turismo pa Aruba,ora mi persona, nos lider Juan Enrique Irausquin, Jeffrey de Veer di Camara di comercio, Whitfield y Juan Enrique Irausquin a bay New York pa reuni cu TransCaribbean Airline pa trece turista Aruba y nos a logra esaki tambe”, Oscar Henriquez a duna di conoce.

“ Na momento un biaha cu ami a bay mi so como diputado di turismo, mi a ser bisa anteriormente,prome cu e delegacion,cu TransCaribbean no ta bay Aruba, pasobra e huma di Lago ta baha riba e area di hotel. Ora mi a puntra nan ta ken a bisa boso esaki,e contesta tabata cu esaki a bin for di e oficina di turismo di Antias maneha pa Corsou den Antias e tempo ey y mi a bisa nan, Ahh ta asina,wel ta bon,” Oscar Henriquez a enfatisa na nos.

Ora cu Oscar Henriquez a yega bek, e la bay cerca Juan Enrique Irausquin y a informe loke a ser bisa y e ora ey a dicidi di habri Aruba su prome oficina di turismo na New York, apesar cu nos tabata forma parti di Antias. Den un reunion di Conseho di Ministronan na Corsou, e tempo ey, diputado di turismo di Antias, Ciro Kroon, a reclama Juan Enrique Irausquin cu si e no tabata sa kico su hendenan ta haci na Aruba.

“No ki ta pasando na Aruba anto? Bo diputado di turismo, Oscar Henriquez a habri un oficina di turismo na New York,Ciro Kroon a bisa Juan Enrique Irausquin. Bo sa mi no por cu Oscar Henriquez, e no ta tende di mi,pero mi lo papia cunele.”segun Oscar Henriquez por corda.

Aki nos ta mira cu en berdad nos mester a sali for di e constelacion Antiano cu tabata uza nos como baca lechera pa haya ingreso.

Pesey mester enfatisa cu e anecdotanan aki ta ilustra cuanto Juan Enrique Irausquin mester a lucha aki mes contra su contrincantenan politico y cu esnan di e tempo ey forma pa Antias.

Di e forma aki e gran estadistica ,Juan Enrique Irausquin a laga su vision y su forma di goberna atras,un politico di taya cu a sa di saca nos isla dilanti den un epoca dificil,caminda e so como politico ta tin e corahe y determinacion pa mustra Antias cu apesar nos tabata den e desbentaha di 12-8, toch e la sa di marca pauta den politica y gobernacion aki na Aruba. Awe Juan Enrique Irausquin ta Tata di nos Politica. Un homber cu hopi kier pa nos generacionnan lubida y cu lo kier pronk cu su plumanan,pero awe e historia a keda skirbi atrobe pa tur sa di con nos awe entre otro por disfruta di un bon turismo creciente y un infrastructura bon hinca den otro y cu awe nos hobennan sin clase di discriminacion por haya estudio avansa sin importa si nan ta di Playa of campo,danki na e cambio aki haci pa Juan Enrique Irausquin den decada 50 cu a cambia historia na Aruba.

Entiero di un Gran Estadista Arubano

Na 1962,e gran Estadista politico Arubano, Juan Enrique Irausquin a fayece debi na un atake di curason den pleno trabao,manera e politico Arubano aki tabata conoci pe.

Juan Enrique Irausquin a fayece na un edad hopi hoben,den su 50 añanan,despues di apenas tabata inicia cu su proyectonan pa hiba su isla na un talon mas halto y asina ey bira mas competente den e area di Caribe.

Su vision y corahe y determinacion,semper a haya admiracion tanto [pa su contrincantenan cu e tempo ey no kier a dune su balor y su luga merecidamente y tambe pa politiconan Antiano y Hulandes cu a bini den contacto cu e gran politico Arubano aki, Juan Enrique Irausquin.

Juan Enrique Irausquin, tabata conoci pa un politico di taya cu nunca a lesa for di papel na momento di duna su discurso y tabata papia pa mas di dies ora largo den campaña politico y manteniendo e atencion di e multitud cu tabata bin e reunionnan publico habri.

Masha hopi hende aki como di afo a bin su entiero.

Tin of No tin Epidemia di Dengue na Aruba

Den medionan di comunicacion ta keda publica cifranan cu ta varia hopi pa loke ta e total casonan di Dengue riba nos isla pa loke ta trata e seis lunanan cu ta transcuriendo caba.

No ta importante ken tin e cifranan corecto,si ta 100, 230 of 800 caso registra. Hecho si ta cu nos Ministro di Salubridad Publico,Richard Visser,ta broma rond cu yen di proyecto y cosnan di deporte y Lotto,pero pa e sotuacion critico reinante cu ta ser expone den medianan, no ta tende nada di e Ministro Richard Visser aki. Ta manera biento fuerte den e ultimo dianan, lo a supla tur cos bai cu nan.

Comunidad Arubano ta exigi di su Ministro di Salubridad Publico,Richard Visser pa bisa e berdad,cu si tin of no un epidemia di Dengue riba nos isla,ya cu tin tur indicacion cu esaki lo ta e caso,si analisa e informenan cu ta saliendo den media y ta indica cu tin entrem 300 pa 900 caso di Dengue registra y nada ta ser bisa pa esnan responsabel pa duna informacion corecto y alerta e comnidad al respecto.

E impresion cu comunidad ta haya ta cu Ministro Richard Visser ta ocupa su mes cu cosnan insignificante y no ta duna balor como medico profesional na cosnan mas serio y alarmante,manera e casonan di Dengue y equiponan cu nos mundo medico mester pa hasi nan trabao y pa no manda nos hendenan na gran cantidad den exterior,debi cu aki mes no tin equipo pa traha,pero si tin miyones ta bai den entre otro nos hermana isla Corsou pa opera casonan di trauma den wowonan cu ta enorme. Nos lo bin ampliamente riba esaki na su debido tempo!

Ban spera cu Minbistro di Salubridad Pub;lico,Richard Visser stop di modela poco dilanti nos medionan di comunicacion y bira serio pa cu su carterea aki y trece solucionnan concreto cu pueblo por sinti e alivio general.

Parlamento a sostene unanimemente e ley di Haven- en Redeverordening

Parlamento di Aruba, ayera, a trata e ley di Haven- en Redeverordening, presenta pa Ministro Otmar Oduber. E reunion a bay den un bon ambiente, caminda tabatin un sosten unanime pa cu e ley aki den e sala.

E mandatario a duna di conoce cu e ley aki ta uno hopi importante y cu ta carga sosten den Parlamento amplio pa loke ta trata su introducion. E ley aki ta uno cu pa mas o menos un aña y mey pa dos aña ta den proceso cune, caminda a percura pa haci un sondeo di kico e situacion ta. A keda demostra cu tin un preocupacion pa loke ta nos awanan teritorial y awor ta amplia e havenverordening cu e redeverordening pa acapara e 12 miya rond di nos isla y asina tin un mihor control y registracion di loke ta sosode den nos awanan teritorial caminda tin diferente tipo di actividadnan tumando lugar constantemente.

Minister Oduber a indica tambe cu ta trata di un ley di un envergadura hopi grandi y a gradici esfuerzonan cu a wordo haci pa logra yega na dje. El a bisa cu e ley aki inicialmente a wordo manda pa Raad van Advies y a wordo manda bek pa Gobierno mirando cu tabatin varios aspecto pa drecha. Asina esfuerzonan grandi a wordo haci di parti Directie Wetgeving, Directie Scheepvaart y asistencia di expertonan di Corsow, como otro expertonan cu a traha riba e ley aki mirando e vision di Gobierno actual, esta di yega na un punto caminda por reglamenta e aspectonan di medio ambiente cu tin un efecto riba nos turismo.

Mas aleu Minister Otmar Oduber a informa Parlamento cu a tuma den consideracion esnan cu pa añanan largo a haci uso di nos awanan teritorial pa por eherce un of mas tipo di negoshi, na Aruba tin diferente companianan cu ta agente di diferente di e barconan aki cu ta keda den nos awanan teritorial. Asina den un forma habri un dialogo inicialmente cu esnan interesa y cu ta haci of participa den e tipo di negoshinan aki, esaki a sosode aproximadamente 5 luna pasa den auditorio di EPI. Tambe tabatin diferente conversacion inoficial cu diferente gruponan y pa otro siman ta bay tin un encuentro cu e persona y companianan aki unda cu ta bay trata e concepto di tarifanan. Ta trata di un decision di Gobierno, pero ta duna participacion pa scucha opinion di esnan envolvi. Compromiso di e mandatario tabata cu promer cu pasa e Lbham cu tarifanan ta bay scucha esnan envolvi y esey ta e motibo tambe pa e reunion di otro siman. Despues di dje, den seno di Gobierno ta bay evalue y stel e vast pa por manda esaki pa wordo acorda.

Akinan Minister Oduber a bisa claramente cu paga no ta e motibo principal pa bin cu un ley asina, sino proteccion di medio ambiente, proteccion di nos entrada principal, pero pa cuida y proteha nos medio ambiente tambe tin su costonan. Pesey ora ta reglamenta tipo di actividadnan asina lo husto mester wordo paga.

Finalizando Minister Otmar Oduber a duna di conoce cu algo importante pa remarca ta cu tin hopi actividad tumando lugar den nos awanan teritorial, actividadnan cu practicamente Aruba no ta na altura di con nan ta sosode. Awor cu e ley aki, conhuntamente cu un protocol cu mester wordo firma cu Guarda Costa ta bay reglamenta e actividadnan aki. El a gradici tur esnan cu a haci e ley aki posibel y tur parlamentario pa e sosten duna pa implemente, ya cu ta e lo contribui na un mihor desaroyo controla di nos pais riba tereno maritimo.

Juliana school mag di ta orguyoso

Minister di Husticia y Enseñansa, Arthur Dowers a bishita Julianaschool den cuadro di e scol su Science Fair anual. E MAVO aki ta conoci pa dos eventonan anual grandi, esta su Science Fair y su Feria Multicultural. E Feria Multicultural a haci tanto impacto, cu e scol a wordo pidi pa organisa un feria asina pa La Reina durante un di su bishitanan na Aruba poco aña pasa.

Minister Dowers a expresa cu el a keda impresiona pa e trabao di e studiantenan y te hasta a confia pa test e “hoovercraft” y un vehiculo cu e hobennan a traha.

“Esaki ta un tremendo iniciativa. Julianaschool mag di ta orguyoso di e trabao cu nan ta haciendo aki, mi ta spera cu nan lo sigui cu e mesun animo pa un tempo hopi largo,” Minister Dowers a comenta.

E mandatario a expresa cu el a cera conoci cu hopi hoben creativo y a haya hopi informacion cu e no tabata sa. “Loke mi a haya interesante ta cu e hobennan mes a haci nan investigacionnan,” sr. Dowers a remarca.

E titular di enseñansa a comenta cu e proceso di trabao ta hopi importante y cu actividadnan asina’ki ta tene e muchanan activo, e ta pone nan pensa y ta pone nan mes forma parti di nan estudio. “E proceso segun mi ta mas importante cu e resultado,” sr. Dowers a conclui.Minister Dowers a expresa su admiracion pa e trabao cu e hobennan a presenta, e analis cu nan a haci ora cu nan experimento no a duna e resultado spera y e entusiasmo grandi cerca e hobennan cu a desplega un trabao sumamento bon den ekipo.

Remetido di Airsoft na Aruba

Ultimo dianan prensa skirbi y medionan di radio/ television a duna noticia y nan opinion tocante airsoft na Aruba. Esaki den cuadro di lo sucedido na Colegio Arubano siman pasa. Tambe nos a lesa remitido cu a sali publica den diario fecha 14 juni 2012 na pagina 63 cu

e siguiente titulo 'Carta na Minister di Husticia y Cuerpo Policial – Airsoft Quo Vadis?', nos teamnan di airsoft den union ta distancia nos mes di e remitido aki. Esaki ta nos prome reaccion oficial riba tur loke ta pasando rond di nos deporte di airsoft. Door cu hopi hende tin e imagen robes di e sport y personanan cu ta practic'e, nos como teamnan di airsoft a dicidi di reuni pa trece e banda corecto di medaya. Na prome luga nos kier aclaria cu e muchanan cu a bay hecha baina na scol no ta pertenece na niun team di Airsoft. E replica, manera nos como hungadonan di Airsoft ta yama e "armanan" aki, a wordo cumpra for di un di e integrantenan di un di e teamnan di Airsoft. E miembro aki a bende e replica sin pone e lider di team of miembro di directiva na altura. Esaki a pone cu e directiva di dicho team mester a duna e miembro aki un castigo.

Historia di Airsoft

Ta practica e deporte aki mas cu 30 aña rond mundo. E origen di e wega aki ta di paisnan Asiatico. Na Aruba Airsoft su entrada ta algo relativamente nobo. Hopi di esnan cu conoce e wega aki tabata hung'e riba nan mes of cu nan yiunan. Pa casualidad 2 aña pasa 2 persona, Marco Batista y Marc Fowler, cu tabata hunga na nan cas a topa otro y a dicidi pa lanta un team. Cu ayudo di algun hende di afo e team aki a lanta y den practicamente 1 aña ya nos conoce 7 team oficial na Aruba.

Team nan cu ta activo

Tur team cu tin actualmente na Aruba a lanta cu e mesun ideologia. "Airsoft ta un wega di honor, respet y seguridad." Si un di e puntonan aki no ta enforsa, e team aki no ta uno serio. Niun di e otro teamnan no lo para su tras of apoy'e. Regularmente tin weganan "scrimmage", friendly battles y training games ta tumando luga.

Kico cada team ta haci

Cada team tin nan mesun manera di train integrante. Edad di miembronan di cada team ta varia entre 15 aña cu 60 aña. Door di youtube y otro sitenan riba internet hopi mucha jong conoce e wega di Airsoft y ta busca pa drenta den contact cu un of mas team. Door di actuacion di algun mucha y e sucedido na Colegio Arubano a dicidi cu ta stop di tuma miembronan cu ta bou di 16 aña di edad. Tur team tin cada miembro registra y nan replicanan tambe. A yega na un palabracion cu Cuerpo Policial por bira e instancia cu ta warda e registro aki. Niun team ta contra pa registro di nan miembronan of replicanan.

Kico cada miembro mester cumpli cun'e

Cada miembro mester tin un conducta intachabel y mester por anda cu nos reglanan. Airsoft ta e deporte cu tin mas hopi regla cu cualkier otro deporte na mundo. Ora un persona kier ta parti di un team,lo duna y splica e reglanan na dje. Durante e simannan cu e miembro nobo aki ta den e team, lo ripara si e ta aplica dicho reglanan riba tereno of pafo di veld. Y si esaki no ta e caso lider di cada team por tuma e decision cu dicho persona no por pertenece na su team.

Cual regla tin

E reglanan mas importante di Airsoft ta seguridad y honor. Tur hungado sa cu ora di hunga contra otro bo lo por haci un miembro, colega, famia of conoci dolor. E balanan (bb's) cu e replicanan aki ta tira, ta haci dolor si e dal bo na un parti cu no ta protegi. Pesey nos ta stress na tur miembro, nobo y bieu pa tene na cuenta kico por pasa si bo no ta protegi.

Kico nos kier pa futuro di Airsoft na Aruba

Nos kier pa Aruba den un futuro cercano por organisa torneonan International unda nos hungadonan por bataya cu e miho nan di nos region. Actualmente nos ta bezig ta organisando e prome torneo nacional di Airsoft cu lo tuma luga den e segundo mita di e aña aki.

Registra ta algo di cuminsamento

Loke cu nos a scucha Minister di Husticia papia den su rueda di prensa ta algo di aplaudi. Semper nos a boga pa tuma e deporte aki na serio. Registro di e replicanan y cada hungado ta loke tur team kier. Desde cu e deporte a haya su acogida na Aruba un grupo di persona a acerca Minister di Deporte na varios ocasion. Nos a introduci e deporte na su persona, a entrega un documento caminda ta splica kico e deporte ta encera y unda nos lo kier yega cu e deporte na Aruba. Alabes como grupo serio cu a premira e problemanan cu deporte por confronta, nos a pidi cooperacion pa asina evita cu cosnan lo por sali for di man. E tipo di ayudo cu nos a pidi ta concretamente un control mas rigoroso di parti douane pa esnan cu ta importa e replicanan aki y un registracion serio di e intencion pa e uzo di e armanan.

Nos a bay asina leu di invita ministernan y parlamentarionan pa bin wak y participa un dia cu nos. Y varios di nan a presenta y a participa, esaki no ta un deporte cu nos a trata na laga scondi na ningun momento. Tur team ta di acuerdo cu e persona cu ta kibra ley no lo forma parti di ningun team na Aruba. Na tur persona cu kier ta miembro di un team di airsoft of cu tin gana di lanta nan mesun team, busca informacion cerca e teamnan existente. Mayoria team tin un facebook account. No ta costa bo nada pa bin wak i haci bo preguntanan. Si nos tuma e sucedido na Colegio Arubano como ehempel, e mucha ey no por forma nunca mas parti di niun team oficial di airsoft. E hamas a forma parti y no lo forma parti di un team mas. Danki na e mucha ey su actuacion impordonabel hopi a sinti cu nan lo a perde nan gusto di mas

grandi cu nan ta haci, esta Airsoft. Nos no ta responsabilisa nos mes di loke un individuo a haci cu por a sali e victimanan y nos miembronan hopi malo y ta repudia e hecho aki. Nos ta di acuerdo cu tur peso di ley mester baha riba e persona aki.

No por ordo replica

Nos ta haci un yamada na tur hende na Aruba cu kier ordo un replica di Airsoft. Pensa prome kico bo kier haci. acerca e team di airsoft den bo bario. Cera conoci cu e deporte aki prome cu bo ordo. Nos ta contento cu Cuerpo Policial a pone un stop na e importacion di e replicanan di Airsoft te ora propone y acepta un delineashon. Nos di e teamnan di Airsoft den union ta para tras di e pensamento aki.

Mi ta termina cu e siguiente palabranan:

Lets educate our law makers what Airsoft really is. We are a self regulated industry filled with responsible individuals promoting honor,respect and safety. Airsoft is safer than all sports. Airsoft provides millions of jobs and drives economies worldwide. Airsoft is EXACTLY like Airgun, chopstick, baseball bat, waterguns and paintball guns when an irresponsible individual decides to conduct stupidity or violates the law.Airsoft encourages teamwork, socialization, and exercises. Airsoft is a self regulated industry made out of responsible individuals who enjoy the sport and hobby. Airsoft, is the best father and son bonding sport in Aruba! Just because one individual decides to violate existing laws, doesn't mean that we need to make another laws to ban the hobby for hundreds.

Den nomber di Teamnan di Airsoft den union:

G.I. Joe, M.G.A.T. (Marc's Generation Airsoft Team), A.E.G. (Aruban Elite Gunners), A.E.T.A. (Aruba Elite Tactical Airsoft Squad), H.A.T. (Hammerhead Airsoft Team), Skullmonkeys.

Anuncia dia cu PetroChina ta aki pa keda

Atrobe nos ta tende di Valero cu nada concreto ainda pa cu e deal cu PetroChina pa compra di e refineria riba nos isla y Gabiniete Eman ta bisa solamente cada rato cu e negociacionnan ta andando.

Dijs, anuncia dia cu PetroChina a inicia su operacionnan riba nos isla cu di enberdad nos hendenan den e refinria a haya un bon deal di trabao y cu mas importante ainda, PetroChina ta paga impuestonan manera nos tur riba e isla aki,sino keda keda te roa esaki ta un realidad.

Speculacion ta algo masha tendencioso y malo pa esnan cu ta depende,den e caso aki e empleadonan di Valero direct cu mester tene atrobe na otro ilusion treci pa Gobierno den nos medionan di comunicacion y sin tin nada pa tene na djele.

Nos ta bayendo den mas di nuebe luna cu tur momento ta tende algo di e negociacion di Valero,PetroChina y Gabinete Eman,pero te awe nada.

Si Petro China ta bin laguele bin den tur trankilidad y ban stop cu speculacionnan cu no ta conduci na nada.

Ta bon pa tur envolvi,stop di hunga cu sentimiento di e comunidad aki,specialmente esnan cu ta traha den e refineria aki y nan faminan.

Roger Clemens found not guilty

WASHINGTON -- Roger Clemens was acquitted Monday on all charges that he obstructed and lied to Congress in denying he used performance-enhancing drugs to extend his long career as one of the greatest and most-decorated pitchers in baseball history.

Fierce on the pitching mound in his playing days, Clemens was quietly emotional after the verdict was announced. "I'm very thankful," he said, choking up as he spoke. "It's been a hard five years," said the pitcher, who was retried after an earlier prosecution ended in a mistrial.

This case was lengthy, but the deliberations were relatively brief. Jurors returned their verdict after less than 10 hours over several days. The outcome ended a 10-week trial that capped the government's investigation of the pitcher known as "The Rocket" for the fastball that he retained into his 40s. He won seven Cy Young Awards, emblematic of the league's best pitcher each year in a 24-year career with the Red Sox, Yankees, Blue Jays and Astros.

The verdict was the latest blow to the government's legal pursuit of athletes accused of illicit drug use.

A seven-year investigation into home run king Barry Bonds yielded a guilty verdict on only one count of obstruction of justice in a San Francisco court last year, with the jury deadlocked on whether Bonds lied to a grand jury when he denied knowingly taking performance-enhancing drugs.

A two-year, multi-continent investigation of cyclist Lance Armstrong was recently closed with no charges brought, though the U.S. Anti-Doping Agency filed formal accusations last week that could strip the seven-time Tour de France winner of his victories in that storied race. Armstrong denies any doping.

In a non-drug-related case, the Clemens outcome also comes on the heels of the Department of Justice's failure to gain a conviction in the high-profile corruption trial of former presidential candidate John Edwards

Late Monday, as the jury foreman read the acquittal on the final count, Clemens bit his lower lip and rubbed a tear from his eye.

Clemens, family members and his lawyers took turns exchanging hugs. At one point, Clemens and his four sons gathered in the middle of the courtroom, arms interlocked like football players in a huddle, and sobbing could be heard. Debbie Clemens dabbed her husband's eyes with a tissue.

Accused of cheating to achieve and extend his success -- and then facing felony charges that he lied about it -- Clemens declared outside the courthouse, "I put a lot of hard work into that career."

His chief lawyer, Rusty Hardin, walked up to a bank of microphones and exclaimed: "Wow!"

Hardin said Clemens had to hustle to get to court in time to hear the verdict. "All of us had told Roger there wouldn't be a verdict for two, three or four days, so he was actually working out with his sons almost at the Washington Monument when he got the call that there was a verdict."

Prosecutors declined to comment as they left the courthouse. But the U.S. Attorney's Office said in a written statement, "The jury has spoken in this matter, and we thank them for their service. We respect the judicial process and the jury's verdict."

Clemens, 49, was charged with two counts of perjury, three counts of making false statements and one count of obstructing Congress when he testified at a deposition and at a nationally televised hearing in February 2008. The charges centered on his repeated denials that he used steroids and human growth hormone during a 24-year career that produced 354 victories.

Arizona's Aaron Hill hits for cycle to back Wade Miley's 8-K outing

PHOENIX -- Aaron Hill had been in position to hit for the cycle a handful times and had been unable to finish it off.

Needing a homer just two weeks after his latest failed attempt, Hill told himself to relax, look for a good pitch to hit.

He did, and finished with a flurry.

Hill hit a solo homer in the seventh inning to become the fifth Arizona player to hit for the cycle, lifting the Diamondbacks to a 7-1 win over the Seattle Mariners on Monday night.

"You just have to take a deep breath," Hill said. "It's something you can easily get excited about and try to do a little too much. It's something where, you've been here before, just get up there, see some pitches and put a good swing on it."

It wasn't that long ago Hill found himself in the same position.

Needing a double at home against the Colorado Rockies on June 5 to complete his first cycle in the majors -- he had one in college -- he couldn't come through, striking out with two runners on.

Hill put himself in position for another chance by hitting a single in the first inning off Hector Noesi (2-8), a triple in the third and a double off the Mariners starter in the fifth.

This time, he finished it off in style, hitting a one-out, solo homer off Shawn Kelley in the seventh for the majors' second cycle this season. New York Mets outfielder Scott Hairston-had the other one, against the Rockies on April 27.

It was the first cycle by a Diamondbacks player since Kelly Johnson did it against San Francisco on July 23, 2010. Stephen Drew (2008), Greg Colbrunn (2002) and Luis Gonzalez(2000) also hit for the cycle with the Diamondbacks. Unlike his predecessors, Hill did it in four at-bats.

Seattle hadn't allowed a player to hit for the cycle since Oakland's Miguel Tejada did it on Sept. 29, 2001, at Seattle.

"Good player, I have seen it for a long time. A powerful player. He gives himself a chance," Mariners manager Eric Wedge. "It looks like he is seeing the ball. If you make a mistake like we did tonight, he is going to make you pay for it."

Arizona also tied a team record with four sacrifice flies, giving Wade Miley (8-3) more than enough run support.

The Diamondbacks rookie left-hander and Noesi were both coming off hard-luck losses.

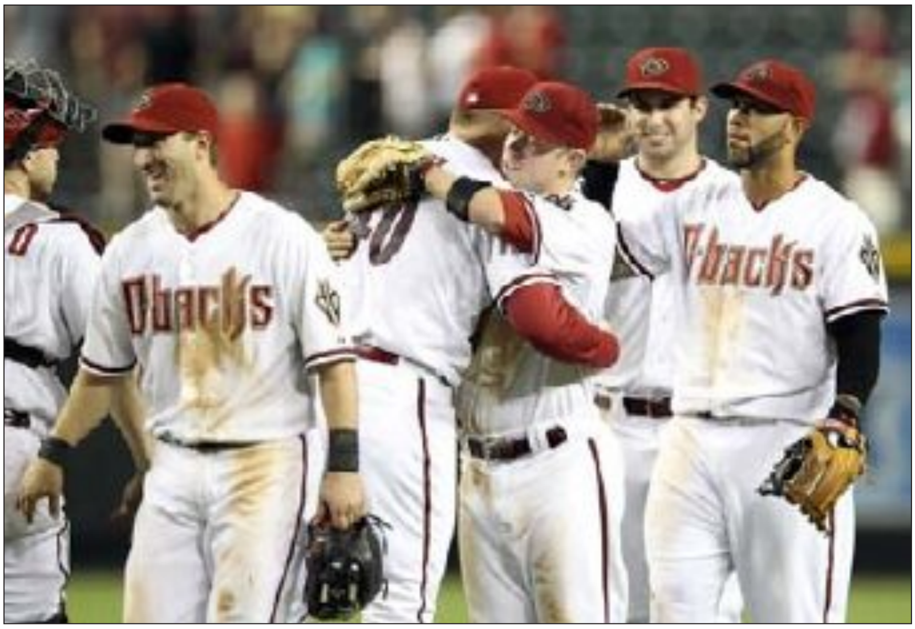

Noesi allowed a run on five hits in seven innings of a 1-0 loss to San Diego last Thursday, extending his losing streak to a career-high four games.

Miley gave up a run and three hits in 7 2/3 innings with eight strikeouts in a 1-0 loss to Texas the same day. Neither was nearly as sharp this time.

Justin Upton drove in one with Arizona's third straight opening single off Noesi in the first inning, then Jason Kubel and Paul Goldschmidt each hit sacrifice flies to put the Diamondbacks up 3-0 and end their scoreless streak at 21 innings.

Upton added a sacrifice fly in the third inning, Miguel Montero another in the sixth and Josh Bell made it 6-1 with a run-scoring single later in the inning.

Noesi allowed six runs -- five earned -- on nine hits in six innings.

"I have to be smarter. I have to be more consistent," Noesi said. "The last start was better. I was more aggressive."

Miley worked through traffic the first five innings, thanks to seven strikeouts, before Casper Wells drove in Seattle's first run with a run-scoring double in the sixth. Dustin Ackleyfollowed with a single to left with two outs, but Kubel threw a one-hop strike to get Wells at the plate to end the inning.

Miley again found trouble in the seventh, getting out of it this time with the help of a diving stop by Bell at third and Montero nabbing Miguel Olivo at second on a strike-out, throw-out double play to end the inning.

"I felt like I was throwing ball after ball, kind of battling it a little bit," Miley said after allowing a run on nine hits and matching a career high with eight strikeouts in seven innings. "But I stuck with the game plan and battled through it."

Miley did his job and Hill provided the hit that punctuated Arizona's bust-out game offensively by lifting Kelley's 1-0 pitch just over the wall in left-center. Hill tried to hold back his emotions as he rounded the bases, breaking out in a smile only after he crossed the plate. When the crowd called him out for a curtain call, well, there was no doubt he was going out -- this was a cycle, after all.

"That's a special thing," Hill said. "Obviously, the fans are here for us and have been here all year, so it was nice for them to recognize something."

LeBron James answers Serge Ibaka

MIAMI -- LeBron James and Serge Ibaka were both on the NBA's All-Defensive Team this season, but they certainly aren't teammates.

Ibaka, the Oklahoma City Thunder's power forward, said Monday that James was "not a good defender" and that "he can play defense for two or three minutes but not 48 minutes." James responded to the comments before Tuesday's Game 4 of the NBA Finals.

"I don't really care what he says, he's stupid," James said. "Everyone says something to me every series, then (the media) tries to get a quote. It's stupid."

Ibaka made the comments to The Palm Beach Post.

"LeBron can't play (Kevin Durant) one-on-one. They're playing good defense like a team," Ibaka told the newspaper.

In addition to the Finals, James and Ibaka likely will face off this summer at the Olympics. Ibaka plays for the Spanish national team, expected to be the most serious challenger to Team USA's bid to repeat as gold medalists.

The Heat have been rotating defenders on Durant, who is averaging 31 points on 57 percent shooting in the series, but James was his primary defender in the fourth quarter of the Heat's 91-85 Game 3 victory on Sunday. Durant was 1-of-5 shooting in the quarter with James guarding him.

"For me as a defender, I just try to make plays and try to keep my body in front of a great player," James said. "First of all, I'm not playing 48 minutes, and Kevin's not playing 48 minutes. I'm not guarding him for 48 minutes. When I'm on him, I'm just trying to make it tough for him to make shots, which he's going to make."

In other Thunder-Heat player beef news, Heat forward Chris Bosh said there's no longer any bad blood between him and Durant. Last year Durant referred to Bosh when he said, "There are a lot of fake tough guys in this league, and he's one of them," after the two got in an exchange on the court at a game in Oklahoma City.

"We squashed that at the last All-Star Game," Bosh said Tuesday.
